Abstract.

LIVESTOCK - Provision of stud bulls to Co-operative Milk Supply Societies and Land Colonisation Societies - Proposal of the Registrar of Cooperative Societies - Approved.

DEVELOPMENT DEPARTMENT.

G.O.Ms.No.4433 Development Dated the 30th August 1948.

Read: From the Registrar of Cooperative Societies, letter No.R.C.4445/47-T, dated 28-5-1947.
-do- -do- -do- dated 19-6-1947.

@@@

ORDER:

The Registrar of Cooperative Societies has reported that milk supply organisations in this Province have not done much to improve animal husbandry and it is therefore quite essential that they should be encouraged to own stud bulls so that the breed of the animals belonging to the members of these organisations might be improved. With this object in view he has submitted a scheme for the supply of 20 breeding bulls to select Milk Supply Organisations which have done good work. The type of bulls to be maintained will be one of the recognised breeds, viz., Sindhi, Ongole, or Murra buffaloes and also Kangayam bulls where the cows maintained are of this breed. As the Societies cannot afford to meet the cost of the bulls, a free grant to the extent of at least half the cost of the bulls purchased will be given by the Government. The bull purchased will be entrusted to one of the members of the Society who will have custody of the bull and who will be responsible for maintaining it properly. The animals will be the property of the Society. The custodians will be paid the premium granted by the Animal Husbandry Department for breeding bulls and in addition they will also get the fees for the Services performed by the bulls. In order to enable the custodians to maintain the animals properly a further subsidy not exceeding Rs.120/- per annum or Rs.10/- per mensem which the Society will meet from its own resources will be given from the general funds of the institutions concerned to compensate the owner for the additional expenditure he may have to incur in maintaining the bull. The Government approve the scheme and direct that it should be applied to the 18 societies mentioned in Annexure I to this order.

2. It is reported that in addition to milk supply organisations, Land Colonisation Societies also offer scope for encouraging the breeding of a better type of milch animals. The Registrar of Cooperative Societies has accordingly proposed that six breeding bulls may be supplied free of cost to select Land Colonisation Societies as their members are too poor to pay any share capital with which the Societies may meet any portion of the cost of the bulls. The Government also approve this proposal and direct that six breeding bulls may be supplied to the six Land Colonisation Societies mentioned in Annexure II to this order.

3. Sanction is accorded to an expenditure of Rs.16,000 (Rupees Sixteen thousands only) as shown below in connection with the scheme:-

P.T.O.

Subsidy payable by Government.

(1)	Half the cost of 20 bulls to be supplied to Milk Supply Societies ..	Rs.10,000
(2)	Full cost of 6 bulls to be supplied to Land Colonisation Societies ..	Rs. 6,000
	Total ..	Rs.16,000

The expenditure should be debited to '42.Cooperation --C.Grants in aid--I. Ordinary areas." The Accountant General is requested to admit the expenditure in audit pending provision of funds.

4. The officers of the Animal Husbandry Department should be consulted at all appropriate stages,especially in regard to the purchase of the animals and veterinary assistance. The register of services to be maintained the conditions will be checked by the officers of the Animal Husbandry Departments and every suggestion made by them should be carried out as far as possible.

BY ORDER OF HIS EXCELLENCY THE GOVERNOR OF MADRAS.

Sd/-
Secretary to Government.

To the Registrar of Copperative Societies.
To the Director of Animal Husbandry.
To the Accountant General, Madras, through Finance.

Sub: Livestock - Provision of stud bulls to Co-operative Milk Supply Unions and Societies - Payment of subsidy - Proposals of Registrar of Cooperative Societies - Approved.

Ref: G.O.Ms.No.4433 Development dated 30-8-1948.
From the Registrar of Co-operative Societies R.C.4445/47-T, dated 18-2-1950.

***

In the circumstances stated by the Registrar of Co-operative Societies in his letter read above the Government approve the selection of the eight societies referred to in Annexure I and the payment of the subsidy sanctioned in G.O. No.4433 Development dated 30-8-1948 to them instead of the eight societies mentioned in Annexure II which expressed their inability to meet half the cost of the bulls from their funds.

2. The purchase of Jersy and Hallikar bulls respectively by the Tanjore and Chittoor Milk Supply Unions instead of Sindhi, Ongole and Murrah bulls ordered by Government is also approved in view of the fact that bulls of the approved breed were not available.

3. The Registrar of Co-operative Societies is also permitted to select 2 deserving milk supply societies for distributing the 2 bulls the sanction for purchase of which was not availad of by the Madras Milk Supply Union, and disburse the subsidy to them.

4. Sanction is also accorded to the disbursement in the current year out of the unspent balance a further subsidy not exceeding Rs.4,704-8-0 (Rupees four thousand seven hundred and four and annas eight only).

5. It is not clear whether the two bulls referred to in para 2 of the Registrar of Cooperative Societies' letter have been actually purchased prior to August 1949 and if so, how their feeding charges were met so far and why steps were not taken to distribute them to some others so far. The Registrar of Co-operative Societies is requested to make the position clear.

R. KOTESWARA RAO,
DEPUTY SECRETARY TO GOVERNMENT.

To the Registrar of Co-operative Societies.

No.Rc.4445/47 T. Dated 18th February 1950.

Sir,

Sub: Livestock - Provision of Stud Bulls to Cooperative Milk Supply Unions and Societies - Sanction -
Ref: G.O.Ms.No.4433 Development dated 30--8--1948.

@@@

In the G.O. cited Government sanctioned a subsidy of Rs.10,000/- to meet half the cost of 20 stud bulls to be supplied to Cooperative Milk Supply Societies and Unions specified in the Annexure to the G.O. Of the eighteen institutions to which the subsidy was sanctioned, the following 8 societies expressed their inability to meet half the cost of the bulls from their funds and hence 8 other societies were selected in their place, as detailed below:-

Names of the societies which did not avail the subsidy.	Names of the societies which were selected.
1. Calicut Milk Supply Union.	1. Srivilliputur Milk Supply Societ
2. Mangalore -do-	2. Rajapalayam -do-
3. Rajahmundry -do-	3. Nagari Cattle Breeding cum M.S. Society.
4. Arundel Brouiepet Milk Supply in Guntur District.	4. Melur Milk Supply Society.
5. Kurnool Milk Supply Societv.	5. Veliyapalayam -do-
6. Villupuram -do-	6. Cuddalore Milk Supply Union.
7. Salem Milk Supply Union	7. Taramangalam M.S.Society.
8. Anantapur Milk Supply Society.	8. Tiruputtur M.S.Society (North Arcot District).

I request that the change may be approved.

2. Of the 18 institutions in all, selected for the purpose, only the milk supply unions at Madras, Vellore, Palacole, Cuddalore, and Coimbatore and the Milk Supply societies at Taramangalam, Sri Villiputtur, Virudhunagar, Rajahpalayam, and Ootacamund (10 institutions) purchased the bulls at one each before August 1949 and half the subsidy payable to them was drawn and disbursed to them before 30-3-1949 (i.e) within the period of one year from the date of sanction. The Madras Milk Supply Union to which 3 bulls were sanctioned availed itself of half the subsidy only for one bull and stated that it did not require the other 2 bulls. These 2 bulls are pending allotment to other societies. The following four institutions purchased the bulls since and the subsidy equal to 50% of the cost of the bulls is pending payment, as shown below:

Name of the Union.	Type of bull.	Subsidy to be paid.
Tanjore Milk Supply Union.	Jersy	Rs.500-0-0
Chittoor -do-	Hallikar	304-8-0
Madura -do-	Kangayam	500-0-0
Tinnevelly -do-	Sindhi	400-0-0
	Total..	Rs.1,704-8-0

The types of bulls approved by Government for purchase under the scheme were Sindhi and Ongole bulls and murrah buffaloes. But the Tanjore and Chittoor Milk Supply Unions purchased Jersy and and Hallikar bulls respectively on the advice of the Veterinary authorities as these bulls were found suitable for the respective areas and as Sindhi and Ongole bulls were not also available. The District Veterinary Officers have inspected these bulls and found them quite useful. The purchase of the above bulls by the two milk supply unions may be approved.

3. Four other milk Supply societies at Nagari, Melur, Valiyapalayam and Tirupattur have yet to make arrangements to purchase the bulls. Two bulls not required by the Madras Milk Supply Union have to be allotted to ~~the~~ 2 other societies. Arrangements are being made to select the bulls and complete the purchase before 31-3-1950. I, therefore, request that out of a sum of Rs.10,000/- sanctioned in the G.O. cited, the sanction for a sum of Rs.4,704-8-0 may be revalidated for being drawn during the current year for disbursement to the following societies

Actual expenditure for the four bulls referred to in para 2 above.	..	Rs.1,704-8-0
Estimate of subsidy for the remaining 6 bulls at Rs.500/- each		3,000-0-0
	Total	Rs. 4,704-8-0

I may also be permitted to select 2 deserving milk supply societies for distributing the 2 bulls not availed of by the Madras Milk Supply Union and disburse the subsidy to them.

OFFICE OF THE REGISTRAR OF COOPERATIVE SOCIETIES
(RESETTLEMENT),
10, Sterling Road, Cathedral P.O., Madras-6.

R.C.5877/50-GIII(Resett.) Dated 6th June 1950.

From

Sri J.C.Ryan, M.A.,
Registrar of Cooperative Societies,
Madras.

To

The Secretary to Government,
Development Department, Fort St. George, Madras.

Sir,

Sub: Livestock - Provision of stud bulls to cooperative land colonisation societies - Ahobilam land colonisation society, Kurnool district - Stationing of the ~~xtudy~~ stud bull in the Sugalimeta cattle breeding society - Temporary arrangements - Approval requested.

Ref: G.O.Ms.No.4843 Development, dated 30-8-1948.

In their order cited, Government approved a scheme for stationing stud bulls in six cooperative land colonisation societies and sanctioned a free grant not exceeding Rs.1,000/- to each society towards the cost of the bull. The Ahobilam Cooperative Land Colonisation Society in the Kurnool district was one of the societies included in the scheme and this society purchased a bull at a total cost of Rs.950/- with the help of the officers of the Animal Husbandry Department. This bull was also included under the premium scheme of the Animal Husbandry Department. It is now reported that the services of the bull could not be utilised to the maximum extent required viz. 40 services in the first year, so as to make it eligible for the departmental premium. This is due to the fact that the colonists do not own sufficient cows to make use of the stud bull. The suggestion of the local District Veterinary Officer to utilise the services of the bull for the cows owned by Sugalis in the adjacent 'thandas' could not also be given effect to as the Sugalis themselves own local stud bulls and were not agreeable to have the services of the stud bull of the society. At the time of purchase of this stud bull, 40 colonists of the society applied for free grants from Government for the purchase of cows and later, for half grants and half-interest-free ~~loxx~~ loans for the purchase of milch cows. In their Memorandum ~~Mexxxx~~ No.61009 B II Development dated 1-2-50 Government deferred my proposal to extend the concession of interest-free loans for purchase of milch animals to members of land colonisation societies. The members of the Ahobilam Land Colonisation Cooperative Society were therefore not able to purchase and maintain milch cows and utilise the services of the stud bull.

2. The Deputy Registrar, Kurnool has suggested that, in view of the difficulty experienced by the Ahobilam land colonisation cooperative society to maintain the stud bull at heavy cost without any income either by way of service fees or premium from the Animal Husbandry Department, the bull may be stationed in the Sugalimetta Cooperative Cattle breeding Society where there is scope to utilise its services to a considerable extent. The cattle breeding society is agreeable to have the bull and meet the entire charges of maintenance. The Sugali Uplift Committee, Nandyal, has also recommended the proposal. The Sugalimeta

cattle breeding society is prepared to retransfer the stud bull to the Ahobilam land colony if and when its members need the services of the stud bull at any time and are in a position to maintain it. I recommend the transfer of the bull from the Ahobilam Land Colonisation Cooperative Society to the Sugalimeta Cooperative E Cattle breeding society in the same district and request Government to approve the proposal.

Yours faithfully,

To

The Secretary to Government,
Development Department,
Fort St. George, Madras.

Sir,

Subject: The Ahobilam Cooperative Land Colonisation Society (Kurnool District) - Retention of Stud bull in the colony - Orders solicited.

Reference: Government Memorandum No.50643 E/50-1, dated 27-6-1950.

In the memorandum cited, Government approved my proposal for the transfer of the stud bull maintained by the Ahobilam Cooperative Land Colonisation Society to the Sugalimetta Cooperative Cattle Breeding Society as a sufficient number of cows was not available either in the colony or near it to enable the bull to be included in the premium scheme and in view of the difficulty experienced by the Ahobilam Cooperative Land Colonisation Society to maintain the bull at heavy cost.

2. The bull could not however be transferred to the cattle breeding society so far due to the fact that there was an epidemic of foot and mouth disease prevalent in the Sugalimetta Cooperative Cattle Breeding Society. After the epidemic subsided, when arrangements were being made for the transfer of the bull, the secretary of the Sugalimetta Cooperative Cattle Breeding Society wrote to say that the bull need not be transferred to the society, as two stud bulls which had become useless,, had been replaced by Government and as there was no need for another stud bull. The Deputy Registrar in the meanwhile has reported that there is now a sufficient number of cows in the Ahobilam colony itself and in the nearby Sugali Thanda, that the bull can be utilised to the maximum extent required and that it will be very advantageous to the Colonists to retain the stud bull at Ahobilam itself. I therefore request that Government may permit me not to give effect to the instructions contained in the Government Memorandum cited.

Yours faithfully,

R.C.79921/52 T

Dated 19-9-1952.

Sir,

Sub: THE VATLUR COOPERATIVE MILKSUPPLY SOCIETY LIMITED - West Godavari District - Purchase of a stud Bull - Sanction of subsidy Requested.

Ref: G.O.Ms.No.4433, Development, dated 30-8-1948.

In their order cited Government sanctioned a subsidy of Rs.10,000/- to meet half the cost of 20 stud bulls to be supplied to Cooperative Milk Supply Societies and Unions in this State. The Tanjore Cooperative Milk Supply Union was one among the 18 institutions selected for maintaining stud bulls. It purchased a Jersy breeding bull for Rs.1000/- and in pursuance of the orders contained in the G.O. cited a subsidy of Rs.500/- was drawn and paid to it. But, the Joint Director of Animal Husbandry, Madras after prolonged correspondence finally declined to include the bull under the premium scheme of the Animal Husbandry Department. The Union therefore disposed of the bull in November 1951 for Rs.1000/- and remitted the sum of Rs.500/- being the subsidy sanctioned by Government into the Sub-Treasury Tanjore in chalan No.1873 on 17-5-1952. This sum of Rs.500/- is now available for sanction to any other milk supply institution.

2. The Vatlur Cooperative Milk Supply Society in the West Godavari District has purchased a Murrah buffaloe for Rs.600/- and applied to me for the sanction of a subsidy of Rs.300/- to meet 50% of its cost. A copy of the proforma balance sheet of the society as on 27-4-52 is enclosed. As will be seen from it the society is working at a loss and therefore deserves financial help from Government.

3. In the above circumstances, I request that Government may be pleased to permit the drawal of a sum of Rs.300/- during 1952-53 from out of the said sum of Rs.500/- to meet 50% of the cost of the Murrah buffaloe purchased by the Vatlur Cooperative Supply Society in the West Godavari District.

R.C. 212577/52 T

Dated 17--1--1953.

Sir,.

Sub: The Ponangi Cooperative Milk Supply Society Ltd. Eluru Circle - Purchase of stud bull - Subsidy sanction - Requested.
Ref: G.O.Ms.No.4433, Development, dated 30-8-1948.

In their order cited, Government sanctioned a subsidy of Rs.10,000/- to meet half the cost of 20 stud bulls to be supplied to Cooperative Milk Supply Unions and Societies in this State. The Tanjore Cooperative Milk Supply Union was one among the 18 institutions selected for maintaining stud bulls. It purchased a Jersey breeding bull for Rs.1000/- and in pursuance of the order contained in the G.O. cited, a subsidy of Rs.500/- was drawn and paid to it. But subsequently the Union disposed of the bull in November 1951 for Rs.1000/- and remitted the sum of ~~Rxxx~~ Rs.500/ being the subsidy sanctioned by Government into the Sub Treasury, Tanjore on 17-5-1952. In my letter R.C.79921/52 dated 19-9-1952, I requested Government to permit the drawal of Rs.300/- during 1952-53 from out of the said sum of Rs.500/- to meet 50% of the cost of the Murrah buffaloe purchased by Vatlur Cooperative Milk Supply Society. Accordingly in their Memorandum No.107690 E/52-2, Development, dated 16-10-1952, Government sanctioned a subsidy of Rs.300/- to be paid in 1952-53 to the Vatlur Cooperative Milk Supply Society to meet half the cost of a Murrah buffaloe purchased by it. There is still a balance of Rs.200/- available out of the sum of Rs.10,000/- sanctioned in G.O.Ms.No.4433, Development, dated ~~20x8x1952~~ 30-8-1948.

2. The Ponangi Cooperative Milk Supply Society is one of the good societies in the West Godavari District. The Ponangi Village has a cattle population of about 300 buffaloes and cows and there is no stud bull in the village or in any of the surrounding villages. The Society has purchased a stud ~~of~~ buffaloe bull for Rs.400/- and applied to me for the sanction of a subsidy of Rs.200/- to meet 50% of its cost. A copy of the balance sheet of the ~~Xxxx~~ Society as on 25-9-1952 is enclosed. The Society is working at a loss and, therefore, deserves financial help from Government.

3. In the circumstances, I request that Government may be pleased to permit the drawal of the unspent balance of Rs.200/- during 1952-53 to meet 50% of the cost of the stud buffaloe bull purchased by the Ponangi Cooperative Milk Supply Society in the West Godavari District.
